Dear Pat,

Well I guess this going to represent
our second year in high school. There are
so many things that were important
that happened to us this year, I'm
sure I could tell how much every little
thing you have done for me means to
me. I only wish that you weren't going
to graduate before I do. I don't believe
I can get along without you. When the
slightest thing happens you're always
around to save my life. You'll never
know how much we depend upon
each other until we are separated. Don't
forget our wonderful time at Y-Teen over-
night trip this year. We had so much
fun. I was especially thrilled over it
because I'm going to be an officer next
year. I don't suppose I can find
enough words to tell you how I really
do love you. & You are my best pal
and I'll love you always. Even
though we are a little silly at
times we always have our serious
moments. Always remember me as one
who loves you dearly.
Love Frances

Dear Katey, It's a good thing you saved me a whole page!!! I would've scalped you if you didn't!

I wish you'd decide to stay in school two more years!! I'll probably still be here when you get out of college!

We've had lots of fun this year, haven't we? I believe we're sillier now than we ever were!

I hope when you finish school you won't just forget about us. Remember, we're all going to live out on our ranch.

See, I really do love you a lot & I'm proud of our friendship. Hope you'll stay just like you are!

I love you,
Bobbie

To a very dear friend.
Pat, we've had a lot of fun
together. I love you
always! & he best of
luck in life.

We have recorded on these pages

Dad, do you think that we will ever live through typing. We have had a lot of fun in there typing though. Remember how much fun we had on our Y-Teen overnight trip. Next maybe Miss David won't play possum. Let's get more sleep at our next overnight trip. I'll be seeing you at the Senior trip next year.

Love always,
Fern

Dear Patsy,

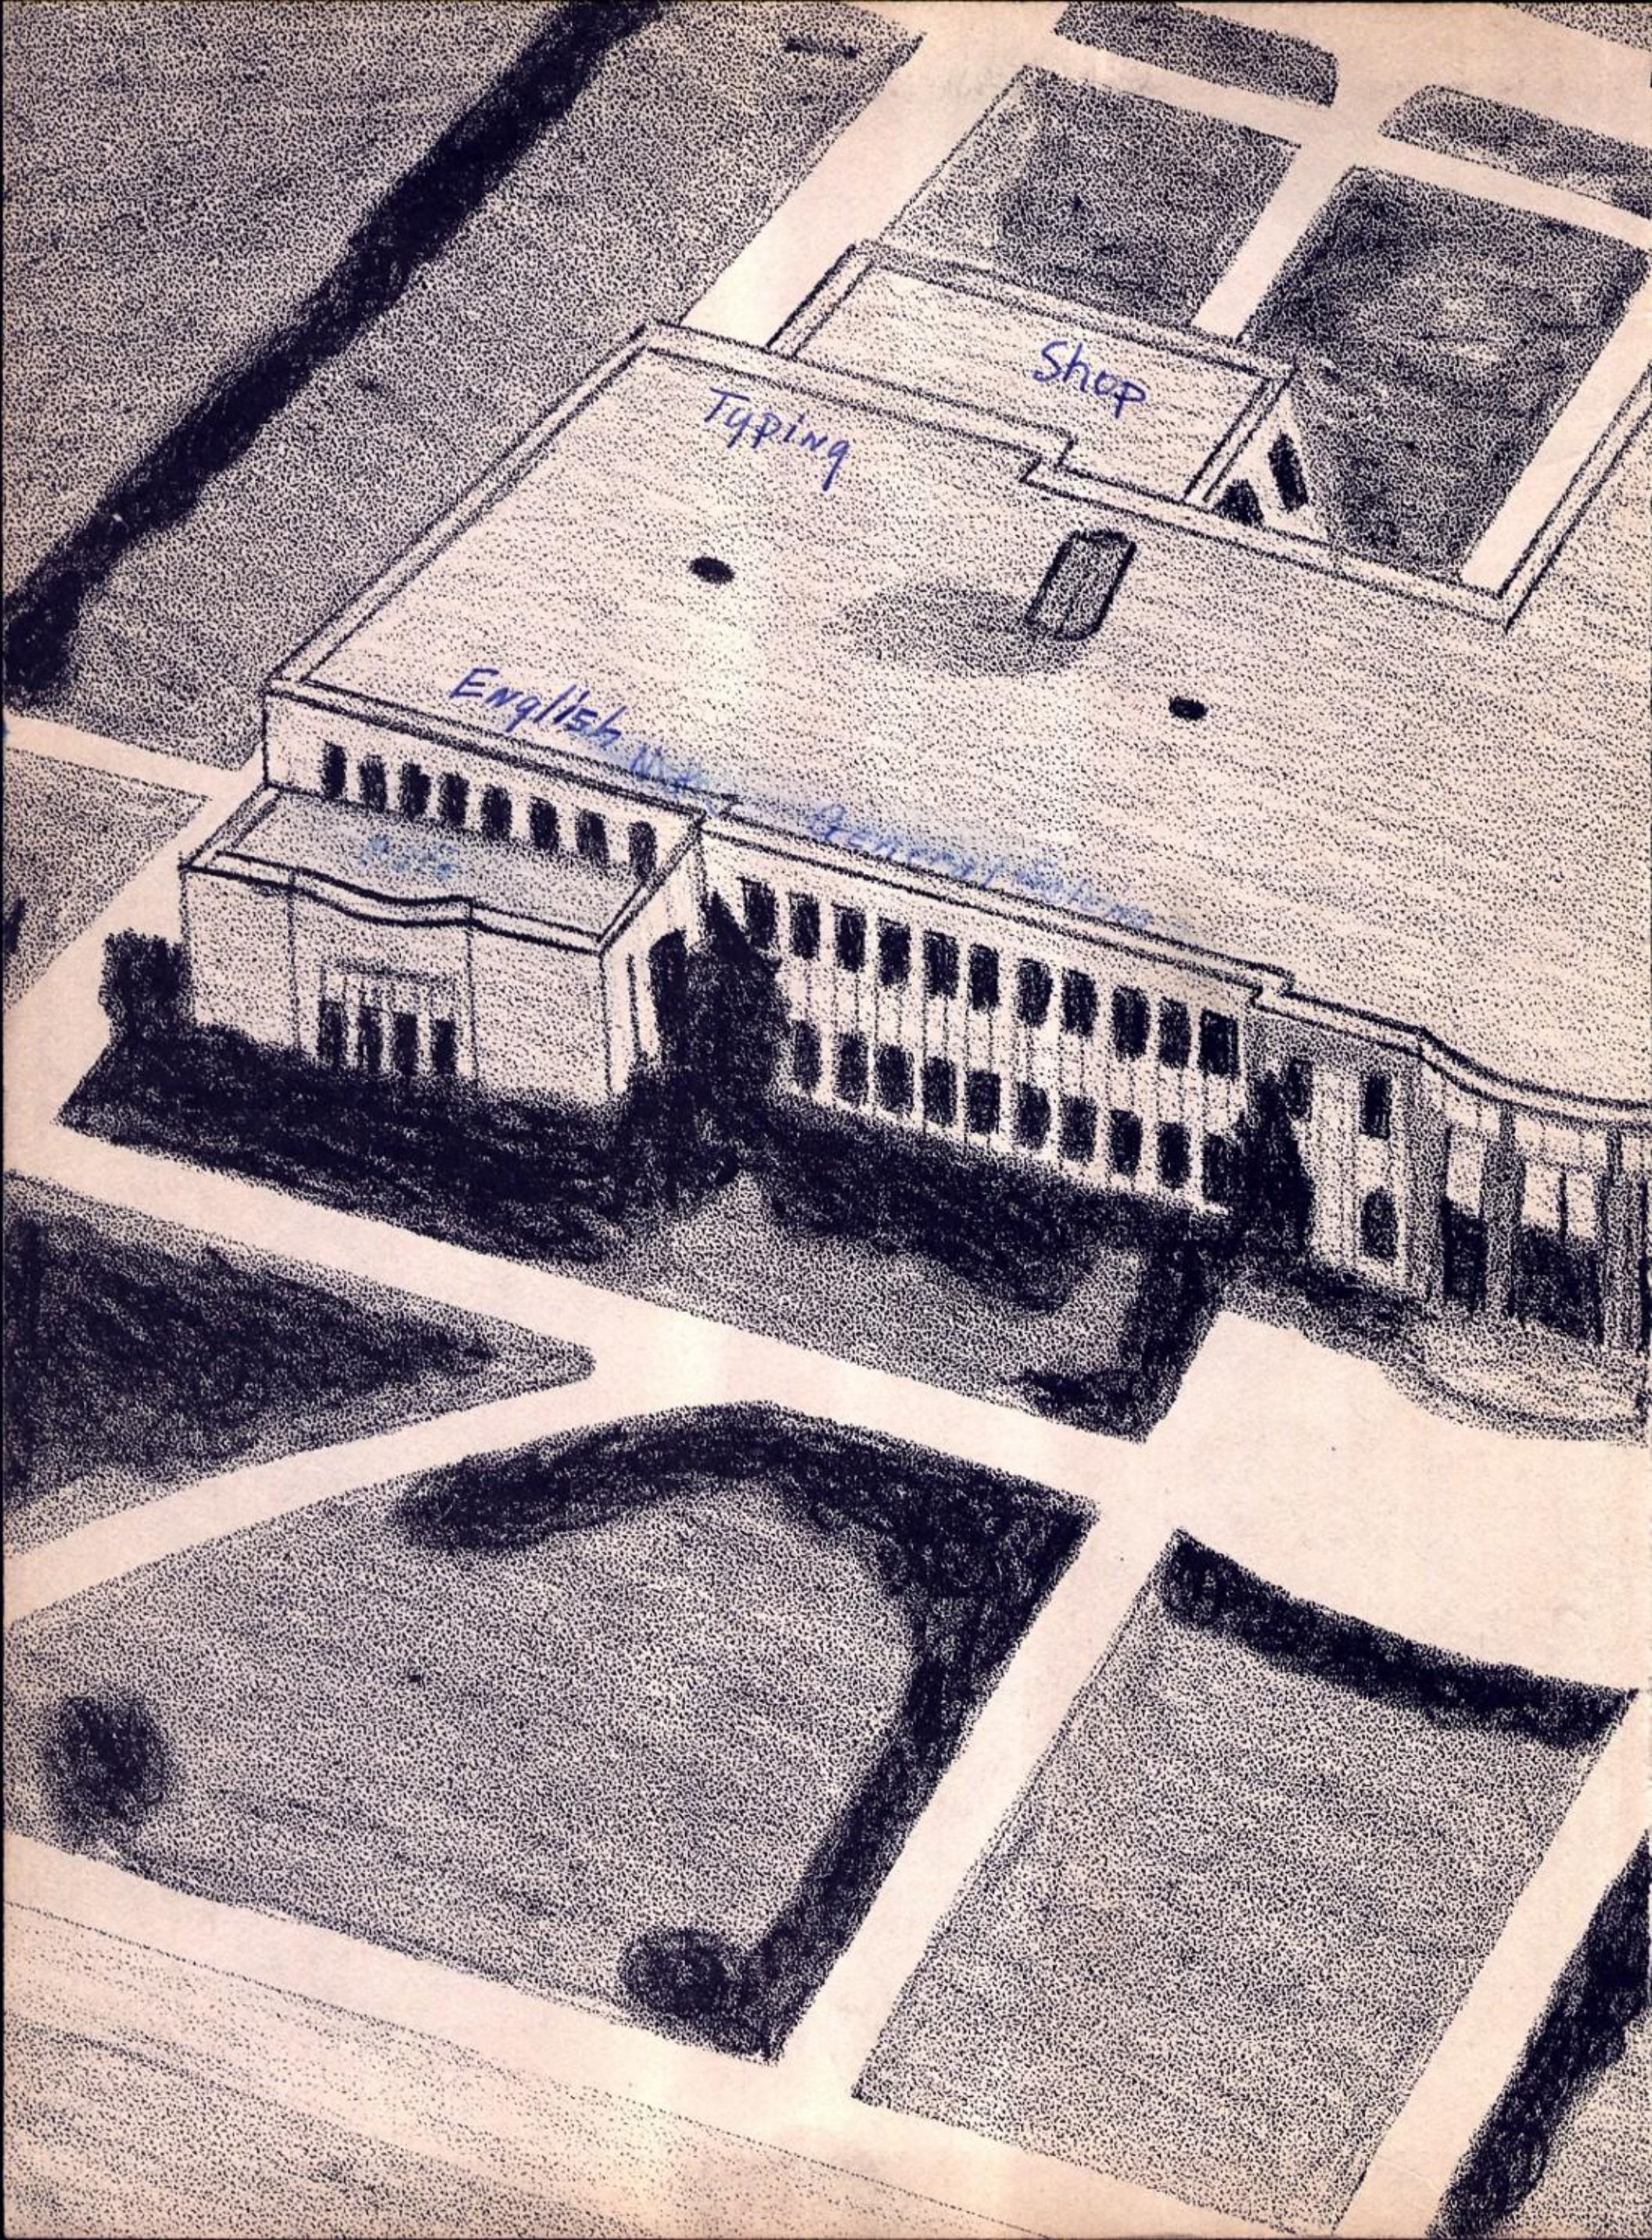

Time just about come to the end of another year and it certainly been a wonderful one - rather long - but nice. Don't ever forget the wonderful times we've had laughing & acting like a bunch of "ratty monkeys." May you always have the best of everything that this old life has to offer you.

Never forget the good times we've had all these 8 years we've ran around together.

Even tho' we will be old maids will still have fun. I hope!

Please, don't ever forget me and don't forget to write me real long letters this summer.

I Love you loads,
Betty Lee
